

SCHOOL NEWSLETTER

DECEMBER 2022

CHRISTMAS MARKET

We would like to invite you to our Christmas Market at the school on Tuesday 20th December from 11am to 12.30pm.

All family and friends of the school are welcome. There will be arts and crafts, and goods baked by pupils, parents and staff, for sale on the day. Our generous Parents Association will also be providing hot drinks.

Our choir will be performing on the day along with pupils from Celbridge Community School.

Any items that you wish to donate for sale can be given to the school by Friday 16th and baked goods can be brought to school on the day.

We encourage all families to attend this special gathering after more than 2 years of restrictions.

Please RSVP via the pupil diary if you will be attending and include the number of guests that will be attending with you. Thank you, Kathy

CREATIVE SCHOOLS

We are currently in Phase 1 of the Creative Schools process. Our school has been assigned a Creative Associate and we are very excited to begin our journey into exploring the ways we can bring the arts to our school, through music, dance, drama and arts & crafts.

KEY DATES

SCHOOL CLOSED

School closes 21st Dec @
12:30pm
School reopens 5th Jan

Individualised Education Plans

IEP meetings have been held with all parents.

Your child's teacher will publish a copy their IEP on Aladdin by the end of next week.

School Photographs

A parent of one of our pupils, and member of the Parents Association, has volunteered to take school photographs of all pupils in the school.

The pupil photographs will be displayed in school.

The Parents Association are also providing, free of charge, a framed copy of the school photograph to every family at a later date

Update from the HSE

We have shared an important letter with all parents, guardians and staff via Aladdin. Due to a large increase in general viral infections among children and young people this

winter, parents are advised to keep their children home from school if they are feeling unwell and they should stay at home until their symptoms have finished.
